How NDHIN can aid in the process with Prescription Drug Monitoring Program (PDMP)

Evidence on the Growing Use of Health IT to Address the Opioid Epidemic

This article from the ONC about Health IT and the opioid crisis addresses using PDMP to aid in the process. Continue reading the full article [here!](#)

Coming Soon! NDHIN's New Electronic Authorized User Process

NDHIN is currently piloting the new process at 2 locations.

The new electronic authorized user agreement (eAUA) process will provide the following benefits:

- Enhances functionality to improve accuracy and efficiency.
- Eliminates the need for printing and scanning.

Please tune into the next NDHIN Quarterly Q & A session for a full demonstration of the new process!
