Home / Education / NDHIN Training Videos: Clinical Portal and Communicate

## NDHIN Training Videos: Clinical Portal and Communicate

Training videos are now available for NDHIN Clinical Portal and the Direct Secure Message application, Communicate. There are six short training videos to facilitate ease of viewing. Continuing Education credit is not available with this training.

Registration is no longer required.

**Video 1 - NDHIN Clinical Portal Basics** - Access NDHIN, information needed, and user level functions. (2:16 mins)

**Video 2 - NDHIN - Home Page Settings and Navigation Tools** - Home page use, how to set up worklists, user notifications and the navigation tools available. (6:53 mins)

**Video 3 - NDHIN - Patient Record Search and Navigation** within a Patient Record - Search for patients, navigation tools, and tips to quickly find lab/radiology results and documents. It also includes instructions on how to use the Patient Summary page and Continuity of Care document. (15:43 mins)

**Video 4 - NDHIN Features** - Use each listed feature: PDMP, NDIIS, Med Viewer, Timeline, External Record and Lab Results Flow Sheet. (6:18 mins)

**Video 5 - NDHIN Viewing Radiology Images** - View radiology images available in NDHIN. (3:32 mins)

**Video 6 - NDHIN DSM (Direct Secure Messaging) Communicate** - Use the DSM application Communicate. (9:10 mins)

# COMING IN 2023

## New Electronic Authorized User Agreement Process

- Enhanced functionality to improve accuracy and efficiency.
- Eliminating printing, scanning, and emailing AUAs.

NORTH  
**Dakota** AUTHORIZED USER AGREEMENT  
NORTH DAKOTA INFORMATION TECHNOLOGY  
HEALTH INFORMATION NETWORK  
Be Legendary.™ SFN 60297 (11-2022)

The North Dakota Health Information Network (NDHIN) allows health care providers to electronically access, use, and disclose patient health information.
